Santa Barbara Trolley Tours and Chartered Trolley Rental Available 7 days a Week

Santa Barbara Trolley's fleet of 15 newly renovated trolleys is available 7 days a week, offering top of the line service for historic Santa Barbara tours and special event trolley rentals.

SANTA BARBARA, September 2012 — Seeing Santa Barbara has never been more enjoyable thanks to [Santa Barbara Trolley](#) Co. Their fleet of newly renovated trolleys is available to tour guests and available for private special event rentals seven days a week.

Known for outstanding customer service, friendly and knowledgeable drivers, entertaining and educational tours, dependable service with timely pickup, AND enthusiasm for having a great time has made them one of Santa Barbara's favorite options to see the American Riviera or celebrate in true Santa Barbara style.

A recent passenger on the tours says, "I took my out-of-town guests on their first day in town as a way to show them all the top historic spots (The Mission, Butterfly Beach, etc.) and give them a good lay-of-the-land to start their vacation. My guests loved the tour and went back to take advantage of the second consecutive day special -- and all the freebies as part of the ticket -- thank you, thank you! What surprised me was how much I learned as a local. The tour guide was a wealth of Santa Barbara historic information. There was so much I didn't know about my own town! Your tours are so fun, entertaining and educational."

A customer who rented the [Santa Barbara Party Trolley](#) said "I am very, very pleased with the service your staff provided. From booking the event, to actually living it was amazingly awesome and great!!! This was by far the best experience I could have ever had on my 23rd birthday. ;) Your Santa Barbara party trolley was the best! I love the people you assigned to our trolley. Both gentlemen were very kind, respectful, careful, and very responsible. They were gentlemen from beginning to end. I really think that you should hire staff like them more often, if not clone them! ;) Thank you for everything, I really appreciate your help and work in making this a memorable experience."

SB Trolley's fleet of 15 newly renovated trolleys is available 7 days a week. 90-minute, daily tours of Santa Barbara sights run on the hour between 10am and 4pm. Their Party Trolley is the perfect venue for all types of celebrations – Weddings, Wine Tours, Birthdays and more.
